

Are you a small  
business in need of  
assistance because of COVID-19?  
The Maryland Department of Labor  
is here to help!

Governor Larry Hogan and the Department of Labor (Labor) are excited to announce the new COVID-19 Layoff Aversion Fund, which is designed to support businesses undergoing economic stresses due to the pandemic by preventing or minimizing the duration of unemployment resulting from layoffs. This funding source will be a quick deployable benefit and customizable to the specific needs of your business. Labor is accepting grant applications from small businesses for awards from now through 30 days after the State of Emergency ends (subject to funding availability). Awards will be distributed on a rolling basis.
